12 Jan Ocala, FL

Pony Trails Cruise to Cedar Key

A cruise to Cedar Key from NPD's main warehouse in Ocala accompanies our annual show. The cruise will leave NPD between 9:45-10:00 a.m. Participants start gathering around 8 a.m., and all are welcome to tour/browse NPD's extensive private car and truck collection before a short driver's meeting detailing the cruise around 9:30 a.m., then the cruise departs. Please arrive at NPD's parking-lot fueled-up, and ready to go. The trip will consist of back roads cruising through Ocala's horse farm country with easy driving speeds on the way to scenic Cedar Key. The trip takes about 1-1/2 hours each way (about 68 miles), and when arriving in Cedar Key (a nice fishing community with a few good local eating establishments), participants can eat lunch, peruse the shops or enjoy the views before returning to Ocala. Once back in Ocala, the opportunity to check out NPD's car and truck collection will once again be available until 5 p.m., or participate in our "Dyno Day" with VMP Tuning's mobile Dynojet chassis dyno. Participants can make two pulls with A/F ratio for \$65, and the highest pull will receive a goodie bag from NPD.
